Child and Adolescent Trauma & Loss Clinic Presents:

A Teen Trauma Group

- A 10 week group program utilizing the evidence-based *Structured Sensory Interventions for Traumatized Children, Adolescents and Parents (SITCAP)* developed by Dr. W. Steele at the National Institute for Trauma and Loss in Children (TLC)
- **GOAL:** To reduce the adolescent's traumatic reactions, restore a sense of safety and power, and thereby, improve the adolescent's behavior and ability to learn and be productive both within their family and community environments.

Where: Behavioral Health Services
2375 Garden Way
Hermitage, PA 16146

When: Every Tuesday, starting, January 11, 2011 for 10 weeks
4-5pm

Cost: Most insurances are accepted.

Facilitators: Drew Krantz, MA, LPC, NCC
Melanie Broadwater, MA, LPC, NCC

Completion of an intake with one of the program facilitators prior to the group is required. For more information or to schedule an intake please call 724-983-5454, option #3, and request to speak with the Admissions Coordinator.
