Tuition Payment, Refund And Financial Aid

Financial Aid:

A variety of programs are available to assist Sharon Regional Health System, School of Nursing students with educational costs. The School of Nursing participates in the Federal Pell Grant and the Stafford Loan programs. Students who are Pennsylvania residents are eligible to apply for the Pennsylvania State Grant; Ohio residents may receive the Ohio Instructional Grant.

All students who are seeking financial aid must complete the application for federal and state grants each year in order to determine financial need.

In addition to the federal and state programs, private scholarships and loans are available from various sources. Students are encouraged to be aware that although financial aid is available and may be a considerable source of help, it should by no means be relied upon to cover the entire cost of attending school.

Written financial aid information is available upon request, and individual counseling may be arranged by appointment, with the Financial Aid Officer at (724) 983-3988.

Tuition Refund Policy:

If the student intends to withdraw from the School of Nursing, he/she must inform the Director of the School of Nursing in writing, identifying the specific date and the reason for withdrawal. Tuition refund is available based on time of withdrawal, note the following:

Weeks 1&2 = 80%
Weeks 3&4 = 60%
Weeks 5&6 = 40%
Week 7 = 20%
Weeks 8-15 = 0%

Tuition Payment:

Tuition is due prior to the beginning of each term. Students will be required to pay tuition or make arrangements for payment before being admitted to class the first day of each term. A twenty - five dollar ($25.00) late fee may be charged and students may not be permitted to continue past four (4) weeks of each term with an unpaid balance.
